HEAVEN

FOR THE TIME POOR

FOR those of us who are too time poor to find the best gift, or who really just wish somebody would organise for the house or car to be cleaned while getting a brow wax, new website iwishiwish.com.au is perfect with a capital P.

iWishiWish offers practical, service-based gifts for those with little time to spare – and for those who have everything.

The gifts on iWishiWish range from cleaning services and beauty therapy (massages, waxing, facials) to dog walking, personal training and personal chefs. Costs range from under \$100 for presents such as fruit baskets, to up to \$25,000 for the more extravagant – a live-in personal trainer, anyone?

And the best part? You don't have to spend hours at the shops. All it takes is a simple click of the mouse, and voila! Present time.
